## Reopening of GESTIM and terms relating to the expiry date of claims and their renewals

---

This notice is related to the closure of the GESTIM website on January 18, 2024.

Please note that the GESTIM platform will reopen on **January 25, 2024 at 3 p.m.**

Due to the inconvenience caused by the impromptu closure of the GESTIM platform for several days and the impossibility for claim holders to make their renewal request, the claims expired during the closure period, between January 18 and 25, 2024 inclusively, will see their validity period suspended until January 26, 2024.

However, this suspension does not apply to claims already suspended or being renewed and is not retroactive.
