Group of Titles (Property)

Here is the procedure to be followed to create groups of titles in GESTIM. For groups of titles, the user can :

- Add a group of titles
- Consult all his groups of titles
- Modify a group of titles
- Delete one or many groups of titles

For titles in a group of titles, the user can :

- Download a file containing the list of titles of a group
- Perform searches of titles with the 'Group of titles' criterion for consultation or form input

It is essential to be a privileged member of GESTIM to complete this process.

If you need assistance, please contact the mines service center at :
